

Palms to Pines Branch AALAS

Awards and Nominations Guidelines

PALMS TO PINES TECHNICIAN AWARD

PURPOSE:

- To recognize an outstanding animal research industry technician in the Palms to Pines Branch of AALAS

WHO MAY BE NOMINATED:

- Individuals without supervisory or managerial responsibilities.

CRITERIA:

1. All nominated technicians must be current members in good standing with the Palms to Pines Branch AALAS.
2. Show high quality performance and professional conduct with regard to job duties (e.g., animal health care, surgical support, administrative support, facility sanitation).
3. Demonstrated abilities that go beyond the expected requirements of the job.
4. Specific examples of nominee's accomplishments required.

WHO NOMINATES:

- Nominee's direct supervisor or,
- Nominee's peers or,
- Self-nominate (Although endorsement is not required, supervisors will be notified of nomination. Notification forms must include supervisor name, email address and or phone #).

NOTE:

- Supervisory responsibility and formal degrees are not necessary considerations.
- The more supportive information provided the better the nominee's chances are for winning the award.
- National AALAS membership is not required.
- The palms to Pines Board reserves the right not to issue this award should the criteria above not be met.
